I have read the back of this page and agree to its terms. I will keep this cat indoors. I will respond to follow-up inquiries from a KCC volunteer. I will not take this cat to a shelter. I will make every attempt to contact Kitty Cat Connection if I must give up this cat.

Kitty Cat Connection respectfully asks the prospective caregiver to agree with the following recommendations and information:

1. Cat(s) are to live indoors in a private residence as companion animals.
2. Caregiver will provide the cat(s) with sufficient quantities of nutritious food, fresh water and clean litter box daily.
3. Caregiver will never strike or otherwise harm the cat(s).
4. Declawing is not a procedure KCC recommends. Declawing is removing part of the cat's digit, not just the nail. This is a painful procedure. There are scratching posts, clipping nail tips and other humane means by which to keep a cat from scratching the furniture or leaving nail marks. Consult your veterinarian before giving thought to this procedure. Ask him/her to explain the procedure to you, in depth, before considering this. (We often have declawed cats for adoption)
5. All of our fostered cats are spayed or neutered when they old enough. We offer only spayed or neutered cats for adoption. **Sterilization is required pursuant to sections 273.400 to 273.405 MO statutes.**
6. Caregiver ensures that the cat's vaccinations for rabies and distemper remain current and to provide veterinary care upon sickness, disease or injury. We strive to provide a healthy cat and we provide for all initial regular vaccinations and spaying/neutering but we cannot guarantee perfect health or be responsible for future veterinarian expenses. **Cats must leave adoption site in a pet carrier**
7. Caregiver allows Kitty Cat Connection visitation rights to ensure that the terms of this adoption agreement are being observed. I promise to respond to telephone followup from foster parent.
8. Adoption is a lifetime commitment, but if the cat(s) must be given up for any reason by the prospective caregiver, PLEASE make any member of KCC your first telephone call. Please do not surrender the adopted cat(s) to a shelter or an irresponsible individual or worse, abandon it on the street or roadside. She or he **MUST NOT** turn the cat over to a humane society, shelter or person, but must return the cat to Kitty Cat Connection. If the phone number and/or address for Kitty Cat Connection is no longer operative, the caregiver will make a good faith effort to locate and contact Kitty Cat Connection.
9. I understand that failure to perform the foregoing will constitute a breach of this agreement . In the event of any such breach of agreement, I authorize Kitty Cat Connection to reclaim possession of the adopted cat(s). In return for the above conditions, Kitty Cat Connection agrees to allow the prospective caregiver to adopt the cat(s), named on the reverse side of this agreement.
