- Did You Know?

Kitty Cat Connection, Inc. is a non-profit, humane organization dedicated to:

- Reducing suffering and overpopulation among feral and abandoned cats
- Fostering and finding caring homes for all rescued cats
- Promoting spay/neuter and adoption as a way to address the problem of homeless cats in our community

Cold weather is finally here so be sure to help those strays out by putting out food & fresh water! Get them inside, if possible, or put out some shelter for them.

Come join us November 11th & 12th for our product fundraiser drive at PetSmart Tiffany Springs. We have coincided it with PetSmart’s National Adoption weekend. We will be there both Saturday & Sunday in hopes we can find homes for our many foster cats & kittens.

We are still overwhelmed with so many fosters & have not been able to help the many daily urgent appeals we get. Consider adding another to your family & tell your friends about us.

November is also National Senior Cat Adoption month.

Thank you in advance for any product donations. We appreciate it & depend on your support to do our life saving work.

Sandy Coffman
President

The 2018 Kitty Cat Connection calendars are here! Both calendars feature our beautiful KCC rescue kitties and all of the proceeds go to help us save more homeless cats.

Wall calendars are $15 and the desk size are $6 or 2/$10. You can pick up yours at the Tiffany Springs Petsmart on any Saturday afternoon. Email us at savingcatslives@gmail.com if you want to order by mail.

Adoption Location
PetSmart Tiffany Springs
8970 NW Skyview Ave.

Saturday from 9:30 AM to 4:30 PM
Cats Available for Adoption!

Dove, female, calico

Dove has been in foster care since June 2016. She is 1 of 6 cats who we saved from living outdoors in a 10x10ft chicken pen. In the fall of 2014 her former owners placed 13 unaltered adult cats in a small pen outside, exposed to the elements, that was only 3ft tall. Unfortunately, by the time we found out about the situation, only 6 adult cats, and 2 kittens were still alive.

Dove is a 3 year old girl who loves being petted and is a great companion cat. She also loves to play with her favorite toys (balls). She likes to explore the house and look out windows while perched on a cat tree. She gets along great with young children. She would do best in a home with no more than 2 cats. She gets along with dogs who are quiet and mellow. She does not like to be around dogs that are loud and energetic.

For more information call Jey (913)202-809

Raichu, male, black and white

I was rescued from a kill shelter and am a very playful, loving cat. I can play rowdy so I need an older kitty or a dog to play with. I am currently playing with other kitties. I would enjoy an active, loving home where I have others to play with!

To find out more about me please contact Sharon at (816)532-0244.

My adoption fee is: $70

Sapphire, female, DMH

I was dumped at a kill shelter. I am the sweetest, most loving girl. I'm beautiful and deserve a loving forever home.

My adoption fee is $125

For more info on me please call Sandy at (816)510-4400.

Adoption Callout! Share with your friends, lets give Marlow a second chance!

Marlow was born to a feral barn kitty. After he was caught, he was initially very scared of people. Now he comes when he is called and loves to play. He snuggles with his foster mom. He will need a patient forever home to help him re-learn trust.

Adoption fee is $70.

For more information on this special boy contact Sandi at (816)898-9303.

Angel, female , tabby

This beautiful girl is Angel, who is 11 years old and front declawed. We took her in when her owner passed away. Poor Angel was in depression and had lost weight when she no longer had her life-long human. Just recently she started gaining weight back. She is playing with kittens and coming out of her depression. Will someone give this beautiful girl a chance?

My adoption fee is $100

Mini Cooper, male, orange

I'm a cuddly boy and a bit of a celebrity. I was the star of a recent photo shoot for Feliway products. I'm a sweetheart and you won't be sorry if you take me home!!

My adoption fee is $90.

For more info on me please call Sharon at (816)523-0244

Eden, female, tuxedo

Eden is the shyest of all her siblings. Eden would probably do best in a home with no young children. She was raised with a dog. She may take some time to warm up to you, but she is super sweet when she finally does. Eden would most likely prefer a smaller, older family, and a home with plenty of windows in the house for her to watch the birds. She may do best if adopted with a sibling (Benny, for example).

My adoption fee is $ 90

For more information on me please call Taylor at (816)872-5689.

Sterling has been with us for a little over 2 months now, and as you can see he is quite at home! He absolutely adores Lia, as it really was love at first sight for both of them! He sleeps in her bed, sometimes on Lia's arms or legs! She loves to hold Sterling like a baby, and he rests his paws on her shoulder in just the cutest way. He is very well-behaved, curious, and friendly, and he loves to be petted. It is so funny how he will just roll over onto his back when he wants his tummy rubbed!

Thank you again for helping bringing Sterling into our lives!

How to keep fleas away: A few helpful tips
Jey E, MSW, ACABC

A client recently told me “I have tried EVERYTHING and I cant get rid of fleas, can you help?” Fleas are a real issue and their effects on your cat can be mistaken for behavioral issues! Out of nowhere your cat can show anger due to the itchiness and discomfort, others might become withdrawn. But don’t worry - here are some tips on how to start dealing with these horrible creatures:

° Give your kitty a deep bath with dish detergent. Dish detergent is poisonous to fleas, so add some dish detergent, diluted in water to a small plate, place a tea candle in the middle, and wait for some fleas to fall in the trap. We recommend Dawn. Fleas like warm places, so the candle will attract them. Note: comb your kitty after the bath to remove any dead fleas and eggs.

° Vacuum every day! Cats/dogs can bring fleas from outside vacuuming on a daily basis will help to keep your home under control from eggs and larvae. Note: Get one or two dehumidifier(s) depending on the size of your room. “A 4x4m room needs a 10 L/Day dehumidifier (it removes 10L of water in the air per day). Apparently, fleas require 50% or higher relative humidity to live. Keeping the humidity in your room under 50% for 2 days will kill adult fleas and larva, and stop flea eggs from hatching. You just need to vacuum the flea jerky and their eggs” (Trying Natural Ways to Remove Fleas, 2017).

° Add salt to your carpet! As mentioned previously, fleas have a higher water composition in their biology. Salt works as a dehydration agent, drying their bodies. Note: make sure the salt is refined and do not leave the salt in the carpet for more than 12 hours. Once you reach 12 hours vacuum the area.

° Get a spray you can use around your pets! I personally use Wondercide and it’s marvelous, 100% natural and doesn’t affect my cats at all. You can get it at Amazon for $34.99.

° Place open jars of eucalyptus leaves and stems around your house, specially in places where your pet spends a lot of time. The eucalyptus may deter fleas from entering the area.
Finally, if you want to know for sure if you have fleas in your home, you can get "The Ultimate Trap" by Victor. It works perfectly! I have it in my home and I check it every day to make sure my house is free from insects. Amazon sells this for $13.99.

Use this guide to differentiate between fleas and ticks. The main difference in appearance is that fleas have 6 legs and ticks have 8, like a spider. Ticks can survive in freezing temperatures and don’t need to seek warm environment like fleas do, which is why the previous tips help only to deter/eliminate fleas.

The best approach for a free flea/tick environment keep your cats indoor.

One-time Donation through PayPal:
www.kittycatconnection.org/donations.html

Kitty Cat Connection spends most of its funding on vet bills, paying for spaying and neutering, shots and getting sick kitties well. Another large portion is spent on food and litter for our foster homes. Since we are a small group, we don't have large corporate sponsors supporting us. We are a non profit rescue, which means 100% of all donations go towards the care of our foster cats. It is because of donations from the public that we can continue to save cats lives. We would like to thank all of our followers for your continuous support.

We would like to ask for your support in raising supplies, food, and funds during this holiday season. We have received very few donations of supplies and food in the last few months, so we really need the community's help! We have a Wish List through Wal-Mart that can be viewed in this link https://www.walmart.com/lists/manage-wish-list-items?id=96906b9f-f07c-49d5-bb71-f7b1937c36f1

And we also have an Amazon Wish List that can be viewed in this link https://www.amazon.com/gp/awl/ref=aw_wl_sr_res_1_1?ie=UTF8&lid=3U4F1A1VVW05X3

November is National Adopt a Senior Pet Month
